8 September 2019 | Bride : Jacqui

We were married in Koh Samui Sep 2019 at kya beach house. Mariam and her team made our day everything we wanted. They made us feel comfortable from day one and that we made the right decision to use Bliss events. We loved the updates and meetings as soon as we arrived on the island. We felt comfortable all was going to plan. It was raining for a hour after our ceremony and Orchid was there every time I turned around with an umbrella to head out of the cover. Or was there to get me a drink and made sure I had everything I needed. She sure made me feel like a princess!!

The food was amazing as well and this was something I wasn't sure how great it would be but it went beyond our expectations.

I would recommend Bliss to anyone !!

24 August 2019 | Bride : Patricia

Eric and I just had our wedding in Phuket, Thailand, and Bliss Events made our day so much easier. Both my husband and I are working in China and we had planned our wedding half a year in advance in Intercontinental, Kamala Beach already. Ms. Peggy and her team made the execution and planning so much easier. They were willing to listen and adapt to our situation, whilst the first wedding planner we had completely didn't give a flying f***k about our wedding.

21-23 June 2019 | Bride : Vivian

We first engaged BLISS over 2 years ago to help us plan our 3-day destination wedding in Koh Samui. From advising us on venue selection and theme options to vendor management and day-of logistics, BLISS partnered with us every step of the way to make the wedding of our dreams a reality (and within budget!). Our wedding guests are still raving about our wedding weeks after the event was over. We highly recommend Chat and her wonderful team at BLISS (Mariam, Mai, Peggy)! Thank you BLISS for a weekend we will always cherish and for memories to last us a lifetime.
